#### **Laptops and Lattes**

Households: 1,307,500 Average Household Size: 1.87 Median Age: 37.4 Median Household Income: \$112,200

These are health-conscious consumers, who exercise regularly and pay attention to the nutritional value of the food they purchase. Environmentally conscientious but also image-conscious: both impact their purchasing.

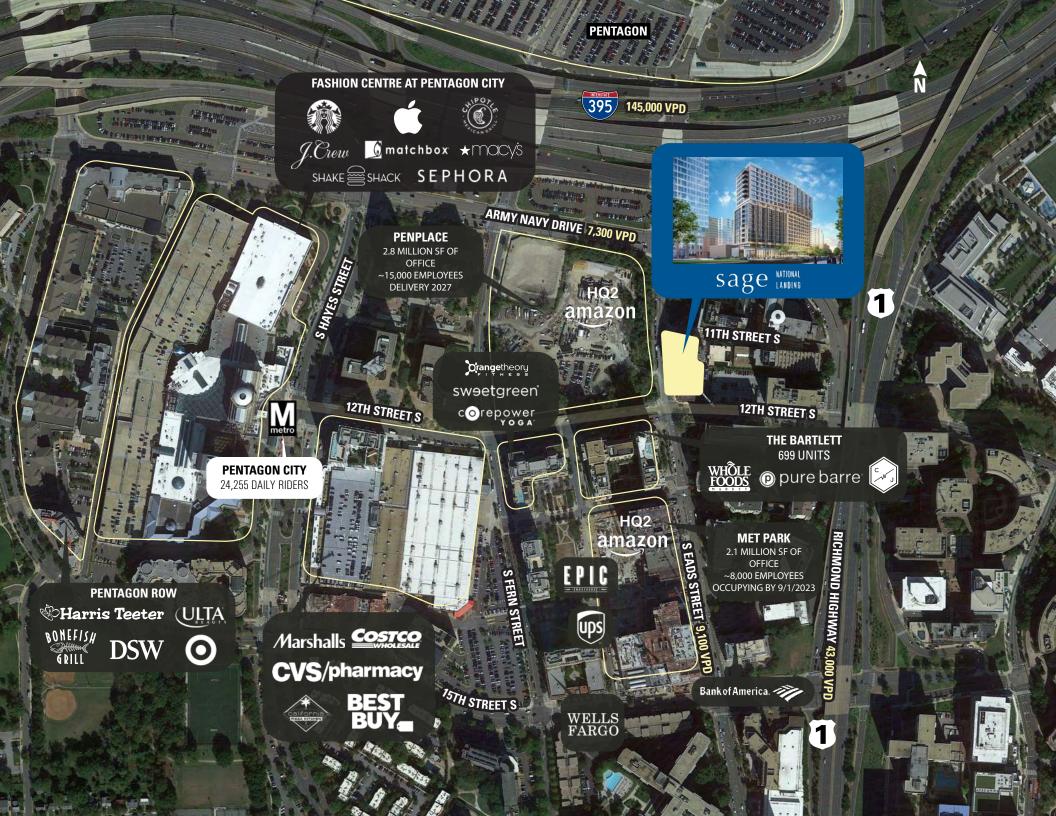

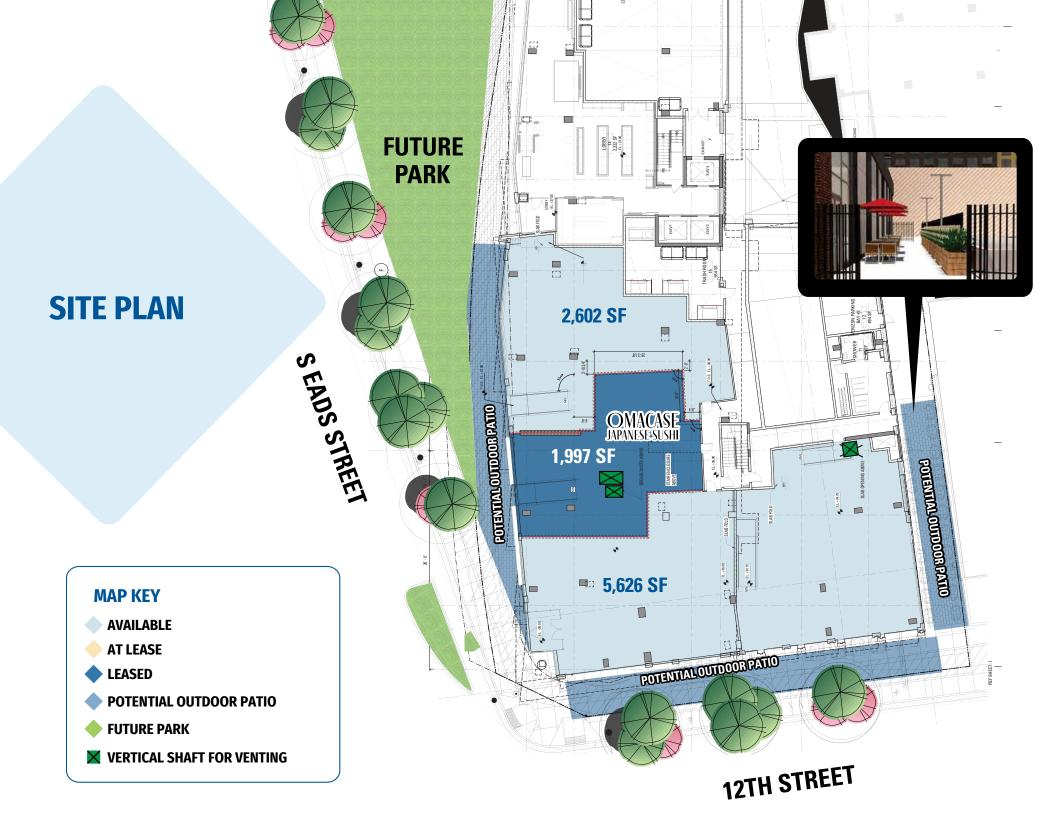

#### **Metro Renters**

Households: 1,911,500 Average Household Size: 1.67 Median Age: 32.5 Median Household Income: \$67,000

These are well-educated consumers who are very interested in the fine arts, value education and creativity, and are willing to take risks and work long hours to get on the top of their profession. They prefer environmentally safe products and socializing and social status are very important to them.
