

An aerial photograph of a city landscape. In the foreground, a large, modern building complex with multiple wings and flat roofs is visible, surrounded by parking lots filled with cars. To the right of the building is a large, green, open field. In the background, a river flows through the city, with a bridge crossing it. The city skyline is visible in the distance under a clear blue sky.

A PLACE TO CALL YOUR OWN

As the largest retail development in southeast Washington, D.C., Skyland Town Center offers retailers the opportunity to expand by providing much-needed services and amenities to the community. Named Washington Business Journal's 2023 Deal of the Year, Skyland Town Center offers untapped market opportunity for anchors, full-service restaurants, quick-service restaurants, soft goods apparel and service retailers.

Skyland Town Center offers 263 residential units along 134,289 SF of first-floor retail. This vibrant, town-square setting combines living, shopping, and gathering into one place. Skyland Town Center offers new apartments, pedestrian-friendly streetscapes, outdoor gathering spaces, and retail stores with all the services and amenities residents of Washington, D.C., Maryland and Virginia need to thrive. Upcoming plans include the addition of 126 townhomes and a 75-unit senior living facility. Skyland Town Center has been designed to offer a unique shopping experience in an extremely dense, yet underserved urban market.
