D.C. BY THE NUMBERS

The background of the entire graphic is a photograph of the U.S. Capitol building in Washington, D.C. The building's iconic curved facade and classical columns are visible against a clear blue sky with some light clouds. In the foreground, there are trees with yellow and orange autumn leaves, and a street with some traffic. The graphic is overlaid with six red rectangular boxes, each containing a statistic. A thin white line runs horizontally across the top of the image, starting from the left edge and ending just before the first red box.
